

"Just Listed" door knock script

Good morning /afternoon, my name is from

Just a quick courtesy call to let you know that we will be marketing the home (next door to you) at.....

I wanted to let you know that you would be very welcome at any of the Open Homes.

While I have you, is there anything I can help you with in real estate?

Thanks for your time today. May I leave a card with you in case I can be of service in the future, or if you think of someone you might like to have as a new neighbour?
